APPENDIX.

REPORTS OF BOARD OF EDUCATION.

Report No. 1.

The Board of Education would submit the following report:

We have endeavored to inquire into the state and character of the institutions of learning under the care of the Conference, and while the reports submitted to us have not been as full as we desired, we are nevertheless glad to learn from those reports that the patronage of our schools is increasing, and that the outlook is encouraging. This is especially gratifying when we remember the financial depression from which the country has not yet recovered.

We have three colleges that are the property of the Conference, Trinity College, Weaverville College and Davenport College.

Trinity College.

The new President of Trinity College, Rev. John C. Kilgo, whom we rejoice to have with us, and whom we heartily welcome to the work of Christian education in our midst, reports that institution in good condition. There is great harmony among the members of the faculty, and between faculty and students, and faithful work is being done. He reports that the most pressing need of the college is a chapel, and suggests that steps be taken to build one to the memory of Dr. Craven, to be called the Craven Memorial Chapel. This would certainly be a beautiful and becoming way of expressing our appreciation of Dr. Craven's devotion to, and of his eminent services in behalf of Christian education; and we urge our preachers and people to co-operate with President Kilgo in this enterprise, and also in his efforts to increase the college library.

After hearing President Kilgo's statements and views with reference to the conduct of Trinity College, we are willing to commit the administration of that institution, with reference to certain matters criticised at our last Conference, into his hands, believing that he will happily solve, satisfactorily to us, the problems now confronting the college.

Weaverville College.

President M. A. Yost, of Weaverville College, reports the continued success and progress of that institution. The enrollment for the present term is 172, and a large increase is expected at the beginning of the second term. We recommend that Rev. C. W. Byrd and Rev. H. F. Chreitzberg be added to the Board of Trustees.

Davenport College

is reported by its President, J. D. Minick, as in successful operation. By request of the Board of Trustees we recommend that the Legislature of the State be petitioned to change the name and title of the institution by striking out the word "Female," thus making it "Davenport College."

We further recommend that the Board of Trustees be reorganized by making it to consist of fifteen members, as follows: The Presiding Elder of the district in which the college is located, the preacher in charge of Lenoir Station, the preacher in charge of Lenoir Circuit, ex-officio, and twelve other members, viz., P. J. Moore, Dr. J. M. Spainhour, J. R. Wilson, R. R. Wakefield, M. E. Shiell, Marcus Deal, W. H. Cloyd, P. J. Johnson, J. L. Nelson, M. M. Courtney, J. R. Widby, J. D. Minick; their term of office to be as follows: The first four for six years, the second four for four years, and the last four for two years.

We would especially commend these schools that are the property of the Conference to the patronage of our people, and urge them to rally to their support.

Greensboro Female College

is a Methodist, though not a Conference school. We are glad to learn that notwithstanding the great loss it sustained in the death of its honored President, Rev. F. L. Reid, D. D., the institution is not only holding its own, but under the able management of President Peacock, is growing more successful, having 23 more pupils now than it had at this time last year. We commend this school to the patronage of our people, and recommend that Rev. J. D. Arnold be appointed to a professorship in it.

Asheville Female College

is another Methodist school within our bounds. Though not the property of our Conference, it is closely allied to our Church. It is splendidly equipped for the education of young ladies, and we recommend it to the patronage of our people and of the general public, and recommend the reappointment of Rev. James Atkins, D. D., as President.

We have a deep interest in the permanent prosperity of Payne Institute, founded as it is for the education of teachers and preachers connected with the Colored M. E. Church, in America, and we recommend that \$300, the amount requested of us, be assessed this Conference on the same basis with the other collections.

It has given us pleasure to have with us, Dr. W. W. Smith, the Secretary of the General Board of Education. We desire to express our appreciation of his visit, and pledge him our co-operation in the important undertaking of more thoroughly organizing our educational work.

The educational statistics for the year are as follows: Value of property, \$245,000. Number of teachers, 37. Number of pupils, 584.

We are glad to know that Bellwood Institute is in a flourishing condition. We recommend the appointment of Rev. D. P. Tate and J. P. Rogers as teachers in the same.

We recommend that an educational assessment of \$5,000 be made, \$3,000 to go to Trinity College, \$1,000 to Weaverville, \$500 to

Trinity High School, \$200 to Davenport College, and the remaining \$300 to the General Board of Education.

(Signed)
S. H. HILLIARD,
Secretary.

J. A. REAGAN,
President.

Report No. 2.

The action of the last General Conference in constituting a Board of Education of the Methodist Episcopal Church, South, and the election of a Secretary of Education, we regard as eminently wise. In order to complete the organization in our own Conference and to facilitate the work in behalf of this important interest of the Church, your Board recommends the adoption of the following:

1. This Conference shall elect a Conference Secretary of Education, to serve without salary, to whom the several District Boards of Education, hereinafter provided for, shall report immediately upon their organization. It shall be the duty of the Conference Secretary of Education to see that the District Boards be furnished with catalogues of all our institutions and with all information necessary to the prosecution of the work of the District Boards, and to keep a roster of teachers desiring situations, and to put them in correspondence with the Boards applying for teachers.

2. This Conference shall also elect a Conference Treasurer of Education, to whom all moneys belonging to the Conference Board of Education shall be paid and who shall pay out of the said funds the expenses of the Secretary of the Board for stationery, printing, etc., and the traveling expenses of members of the District Boards when in the discharge of their duties as members of the Board, and shall present an itemized statement of all moneys received and disbursed by him to the Annual Conference Board of Education, with vouchers therefor.

II. District Boards of Education.

Every District Conference shall elect, for a term of two years, four laymen, and the Presiding Elder shall appoint three preachers from his district, as a District Board of Education. The Presiding Elder shall be ex-officio a member of the Board, and he shall have power to fill any vacancies occurring in the Board, in the interim of District Conferences. He shall call a meeting of the Board for his district in the month of April, which shall effect its own organization and report the same to the Conference Secretary of Education; and lay such plans for their work in the district as in their judgment are advisable. The four laymen upon this Board shall be ex-officio members of the District Conference. It shall be the duty of the District Boards of Education:

1. To secure through the Local Boards of Education, hereinafter provided for, such facts concerning the number of children and young people of our own church of school age and the facilities for education within their bounds as shall enable the Church to know the needs of our people; to secure from the Secretary the names of such teachers as desire situations, and to do all in their power to supply the local needs within the bounds of their several districts; to procure the names and addresses of such young people as may be

induced to attend our academies and colleges and to report them to the faculties; personally to aid the agents of our schools in whatever way possible when canvassing within their bounds; and to report in writing to the District Conference the work of the Board for the year, together with the statistics before mentioned.

2. No student for our ministry shall be admitted to our academies or college as a beneficiary student, who has not been recommended to the District Board by the Local Board of the charge in which he holds his membership, and by the District Board to the faculty of the institution which he proposes to enter. When such application is made and approved, the District Board shall diligently enquire what amount of aid is absolutely necessary for such applicant, to meet expenses other than tuition, and shall inform the Local Boards of the amounts expected from them; and the Local Boards shall raise the amounts in such a way as they deem best; and the said amounts, when raised, shall be forwarded to the Treasurer of the Conference Board of Education with information for whom it is to be used.

3. No school shall be recommended to the patronage of our people by the District Conferences that has not secured the approval of the District Board of Education.

The following are recommended on the District Boards:

ASHEVILLE DISTRICT—M. A. Yost, J. C. Curtis, A. Cannon, James Buttrick.

MT. AIRY DISTRICT—S. W. Brown, J. M. Turner, A. G. Click, J. W. Ashby.

CHARLOTTE DISTRICT—J. S. Spencer, L. D. Andrews, D. R. Dunlap, W. P. Parsons.

GREENSBORO DISTRICT—O. W. Carr, Dred Peacock, W. G. Bradshaw, William Lindsay.

SALISBURY DISTRICT—C. G. Montgomery, H. L. Overman, R. L. Smith, J. A. Leach.

STATESVILLE DISTRICT—D. Matt. Thompson, J. M. Tuttle, G. W. Flowers, S. J. Whiteman.

WINSTON DISTRICT—R. R. Crawford, Leon Cash, T. W. Field, G. W. Martin.

SHELBY DISTRICT—L. J. Hoyle, J. W. Biggerstaffe, B. F. Dixon, J. A. Anthony.

MORGANTON DISTRICT—K. J. Carpenter, J. D. Huggins, I. I. Davis, H. R. Jones.

FRANKLIN DISTRICT—N. Newby, L. T. Patterson, Burton Ferguson, Fred S. Johnson.

We also recommend that D. Matt. Thompson be appointed Secretary and Treasurer of the Conference Board of Education.

III. Local Boards.

In each pastoral charge there shall be a Local Board of Education, consisting of three members, to be elected by the Quarterly Conference upon nomination of the preacher in charge. It shall be the duty of the Local Board:

1. To co-operate with the pastor and Sunday-school superintendent in arranging and executing a programme for Children's Day.

2. To secure, as far as possible, the statistics called for by the District Board of Education.

3. To aid the representatives of our educational institutions in the canvass of the charge.

4. To recommend to the District Board of Education such persons as they approve as beneficiary candidates for the ministry, to report whether they are unable to provide for the expenses of their education other than tuition, and to raise the amount laid upon the charge by the District Board.

5. To report in writing to the District Board of Education the statistics gathered by them of the educational work within the pastoral charges, together with the number of students attending our institutions of learning from their charges.

In order to carry this organization into effect at once, we recommend that the Presiding Elders be requested now to name four laymen in each of their several districts to be elected by this Conference, to act until the meeting of the District Conference, and that the Presiding Elders to be appointed add to these, immediately after the appointments are made, the clerical members necessary to complete the Board.

In order further to forward the work of education within our Conference, we recommend that the Annual Conference Board of Education be elected to serve for four years.

(Signed)

J. A. REAGAN, President.
S. H. HILLIARD, Secretary.

BOARD OF COLPORTAGE.

We are glad to note that despite the great stringency in money matters, our General Agent, Rev. T. J. Gattis, is able to report sales to the amount of \$6,692 in the bounds of our Conference. This is an increase over last year of \$252. Notwithstanding this very gratifying report, your Board is of the opinion that more effective work could be done in the distribution of our books and periodical literature if we had a competent man devoting his whole time to our Conference.

We would most emphatically reiterate the caution of last year to all our preachers not to buy more books than they can pay for by the end of the year, and further to see to it that their accounts are paid in full at Conference, whether due to our Colporter, the House, or elsewhere.

(Signed)

C. M. CAMPBELL, President.
J. T. STOVER, Secretary.

Summerfield Circuit	100

The Board asks that the sum of \$8,000 be raised for Domestic Missions the ensuing year, and that sum, together with the \$13,500 assessed this Conference for Foreign Missions, has been apportioned as follows: (See assessments for 1895.)

The Board would call the attention of the Conference to the following resolutions:

RESOLVED, 1. That the week including and following the second Sunday in March be observed throughout the Conference as a week of prayer and self-denial, and that the contributions be equally divided between Domestic and Foreign Missions and sent at once to the Treasurer.

RESOLVED, 2. That the month of April be selected as the time for raising the assessments for Domestic and Foreign Missions and that a systematic effort be made at that time to bring up the assessments in full on every charge, and that the presiding Bishop be requested to urge upon the Conference the importance of observing this resolution.

RESOLVED, 3. That special collectors be appointed by the pastors in charge, when it is thought their services may be helpful, in raising the assessments.

RESOLVED, 4. That we request the Conference to elect John G. Staples as Conference Missionary Secretary.

We would call the attention of the Conference to the "Missionary Review," published by the General Secretaries of the Board of Missions at Nashville, Tenn. This ably edited "Review" should be read by every preacher in the Conference. It contains the facts which the preacher needs to inspire the people with a deeper love for this great work.

We would also call attention to "The World For Christ," a small monthly publication filled with the latest news from the fields, and at such a price as to be in the reach of all, published by our General Board of Missions at the low price of ten cents a year; we should put it in the homes and Sunday-schools throughout our Conference. Respectfully submitted:

REPORT OF COMMITTEE ON EPWORTH LEAGUE.

Your Epworth League Committee, appointed at our last Annual Conference, respectfully submit the following report:

In accordance with the agreement made at a joint meeting of the Epworth League Committees of the North Carolina and Western North Carolina Conferences, we have endeavored to co-operate with our Presiding Elders in bringing the Epworth League interests prominently before our people, at the District Conferences; which efforts have met with gratifying success.

According to statistics reported up to August 1, there were 45 Epworth Leagues, with an aggregate membership of about 2,300 in our Conference, which represented about three-fourths of the Epworth Leagues and membership in the State. Feeling gratified at the success already attained, and desiring to further promote this important work, we recommend,

1. That an Epworth League Standing Committee be appointed for a term of four years, to have charge of all the interests of our Epworth Leagues, subject to the direction of our Annual Conference.

2. That, whereas, it is important to keep this new institution affiliated with our other institutions, and adjusted to our regular church machinery, our Presiding Elders as far as practicable, hold League Anniversaries in connection with their District Conferences, and that Thursday night of our Annual Conference week be observed as Epworth League Anniversary; and that this be the order of exercises for said night of this Conference.

3. That, whereas, we believe that a State Conference of our Epworth League workers would strengthen the bond of unity now existing between the two Conferences, and would promote our Epworth League interests by imparting instruction and arousing enthusiasm among the young people of our church, and whereas our

Discipline provides for the same, and whereas, the Board of Trustees of Trinity College has tendered Trinity Park to be used for this purpose ; therefore a State League Conference be held at Trinity Park, Durham, N. C., during the summer of 1895, provided the North Carolina Annual Conference unite with us in the same ; and that our Epworth League Committee co-operate with a similar committee to be appointed by the North Carolina Conference, to arrange for holding said State League Conference.

4. That, whereas, we believe a State Summer School, or Chautauqua, wherein our various Methodist interests could be represented would also promote the same bond of unity, as well as the general welfare of North Carolina Methodism, and whereas, the Board of Trustees of Trinity College has tendered Trinity Park for this purpose also, therefore this Conference appoints a committee consisting of Revs. C. W. Byrd, James Atkins and A. P. Tyer, who shall confer with a like committee to be appointed by the North Carolina Conference, and who shall take such steps as they may deem expedient towards establishing said Summer School.

5. That, whereas, we believe our best religious work to be that loyally done within the sphere of our own church, and that, whereas, several outside organizations have sprung up in our midst, having the tendency to draw away our young people from regular church work ; therefore, we disapprove of the organization among our members of any such outside societies antagonistic to our Epworth League ; and that furthermore our pastors organize Epworth Leagues on their charges, wherever practicable.

6. That, regretting so few of our Leagues have responded to the assessment of ten cents per member, made by the General Epworth League Board for needed expenses, we urge all our delinquent Leagues to pay this assessment as early as possible.

7. That, while we regret some utterances by the editor, we commend to the patronage of our Leagues the "Epworth Era," our League organ, as a valuable aid in our work.

8. That, whereas, we "desire," with our illustrious father, John Wesley, "to have a league offensive and defensive with every soldier of Jesus Christ," we heartily endorse the International League Conference to be held at Chattanooga, Tenn., in June, 1895.

9. That we request the Joint Board of Finance to add on our Annual Conference Report, separate and fuller blanks for our Epworth League reports similar to blanks for Sunday-school reports.

Praying that we may be divinely guided, and that this important work of our church may be greatly blessed to the edification and salvation of souls. We are fraternally,

(Signed)

S. B. TURRENTINE, Chairman.

D. Matt. THOMPSON, Secretary.

REPORT OF BIBLE CAUSE.

Your committee respectfully submit the following report and recommend its adoption by the Conference:

The Western North Carolina Conference heartily endorses the advanced position taken by the late General Conference with regard to the Bible Cause and will render prompt compliance with the requirements of the Discipline. Let the pastors see that this cause is duly presented to their people, and that this may be done intelligently, let them call upon the District Superintendent of the American Bible Society for whatever information they may need for this purpose. The Conference notes with pleasure the large increase in the number and amount of the contributions to the Bible Cause as shown in the reports of this year, and hope that this is but the beginning of the general and liberal support which this cause will hereafter receive.

We are also pleased to learn from the last annual report of the American Bible Society that this great agency of the church continues to prosper in its noble work of circulating the Word of Life. Despite the stringency of the times its treasury, in the good providence of God, was supplied with sufficient funds to carry on the work, chiefly through an unprecedented amount of legacies. During the last year, we learn, it printed and circulated in the home field about 1,000,000 copies of the sacred Scriptures, and in the foreign about 400,000 copies more. And the work of supplying your missionaries, the emigrants flocking to this country, and especially the children of our land, with the Bible, is going on prosperously. Therefore,

RESOLVED, I. That we will take up the Annual Collection for the Bible Cause, and promptly forward to the Rev. T. H. Law, D. D., District Superintendent, Spartanburg, S. C.

RESOLVED, 2. That we urge all our Sunday-schools to avail themselves of the generous offer of the American Bible Society to furnish a Bible at half cost price to all our children who can read, but who are not supplied with Bibles. Respectfully submitted:

(Signed)

JESSE H. PAGE, Chairman.

W. S. C. CHERRY, Secretary.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals beg leave to submit the following report:

It is with great pleasure we learn that our Publishing House at Nashville, Tenn., is able to make a good report during these times of financial depression; showing the House to be on a safe financial basis. We also rejoice in the success and continued excellence of the Nashville Christian Advocate, the Bi-monthly Review, the Review of Missions, our Sunday-school Literature and the Epworth Era. We regret to learn that the Sunday-school Magazine is not so extensively circulated as it should be, and we hope the time is not far distant when we shall see it in the hands of all our Sunday-school teachers.

We most earnestly ask that our Methodist doctrines be more prominently brought forward and dwelt upon in all our periodicals, and especially in our Sunday-school Literature. We regret to see some recent unfortunate and unpleasant utterances in our Epworth Era and we trust that all the publications that have the sanction of our church and go into the homes of our people may breathe a good Christian spirit, and set high value upon the doctrines, polity and usages of our beloved Methodism.

We note with real pleasure the marked improvement in the form and editorial matter of the North Carolina Christian Advocate. We congratulate our Conference on having one of the best papers in Southern Methodism. We deem it but just to say that we attribute much of the excellence of the paper to the ability and wisdom of Rev. D. Atkins, D. D., who has been our chief editor for the past eighteen months and we very much regret to see him retire from the editorship.

We recommend the adoption of the North Carolina Christian Advocate as the official organ of our Conference, and at the request of the Advocate Publishing Company, recommend the appointment of the Rev. H. M. Blair, Editor, and we commend him to the confidence and support of the Church in this new position.

Respectfully submitted:

(Signed)

L. W. CRAWFORD, Chairman.

C. F. SHERRILL, Secretary.

REPORT OF COMMITTEE ON DISTRICT CONFERENCE JOURNALS.

Your Committee on District Conference Records beg leave to submit the following report:

The Journal of the Charlotte District Conference was not before the Committee. Those placed in our hands have been carefully ex-

amined and we find the record for Greensboro District Conference deserving special mention for its neatness and accuracy. It is well nigh perfect.

Those of the Statesville and Salisbury District Conferences have been neatly and well kept.

The general appearance of the record of Winston District is good. We note, however, numerous abbreviations, such as Del. for Delegate, Sta. for Station, Com. for Committee, Conf. for Conference, Dist. for District, etc.

Mt. Airy District record is neatly kept, but the following inaccuracies occur: M. E. Church, South, for Methodist Episcopal Church, South. Initials P. E. and P. C. often occur on pages 98-100 in the body of the records where the words Presiding Elder and Preacher in Charge should be written in full. For instance on page 99 in the report of Jefferson Circuit occurs the following: "Perhaps 30% of the P. C. & P. E.'s salaries have been paid." At the bottom of page 96 a preamble and resolutions occur followed by the statement, "After slight amendment the same were adopted." What the amendment was does not appear. On page 118 the first item in the report of the Committee on Missions recommending the division of Sparta Circuit is ambiguous.

In the Asheville District records we find no complete roll of members. On page 82 the name of James Gattis occurs out of its proper place as he was a visitor and not a lay delegate. Abbreviations, such as "M. E." for Methodist Episcopal and "W. M. Society" for Woman's Missionary Society, should not occur, also "Dist." for District. On page 83, afternoon session, it is not stated who presided, nor that the Conference was even called to order.

Morganton District Conference records are very well kept but are open to the following criticisms: There is no complete roll of the members. On page 53, lines 16-18 are incomplete and hence devoid of clearness. On page 54, line 3 the word "session" is omitted after morning. On the same page, line 20, "Began in a hearing of reports." It should be, "Then called for reports from the different charges."

The record of the Franklin District Conference has been fairly kept. Some criticisms are deserved. After the name of each lay member present occurs the small letter "d" the purport of which is hard to understand. The first session adjourned to meet at 3 p. m. by special action when the same hour had been previously determined upon by resolution. The morning and afternoon sessions of the second day were adjourned after the benediction it coming in presumably as a matter of business. Many abbreviations occur where the whole word should have been written.

In the Shelby District records the writing is very poor, being at times scarcely legible. It is also wanting in neatness—erasions being made by simply drawing the pen through the words to be erased.

On page 40, afternoon session, first day, occurs the following: R. B. Miller moved that the opening of tomorrow afternoon's session be the order of the day for the election of lay delegates to the Annual Conference. This we regard as very ambiguous.

(Signed)

C. G. LITTLE, Chairman.

W. L. HALE, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE.

We would reiterate and emphasize the report of the Committee of last year on this subject, and add the additional language of our Discipline enacted by the last General Conference, viz:

RESOLVED, 1. That we emphasize the importance of enforcing the provisions of our Discipline in regard to drinking, drunkenness and the manufacture of liquor, and that we pledge ourselves to continue the fight for prohibition to the end.

RESOLVED, 2. That we will urge our preachers to deliver at least one sermon on temperance at each church, or preaching place, on the charge during the year.

OUR DISCIPLINE ON TEMPERANCE.

Question: What shall be done for the extirpation of the great evil of intemperance?

Answer 1: Let all our preachers and members faithfully observe our general rules which forbid drunkenness or drinking spirituous liquors unless in cases of necessity.

Answer 2: In case of drunkenness, let the Discipline be administered as in case of immorality, drunkenness being a crime expressly forbidden in the word of God. In cases of drinking, except in cases of necessity let the discipline be administered as for imprudent or improper conduct.

Answer 3: Let all our preachers and members abstain from the manufacture or sale of intoxicating liquors to be used as a beverage, from signing petitions for such sale, from becoming bondsmen for any person as a condition for obtaining a license, and from renting property to be used for such purposes.

If any member shall violate any of the provisions of this paragraph, he shall be deemed guilty of immorality; nevertheless, if a member shall sign a petition for, or shall become a bondsman for any person engaged in such traffic, or shall rent property to be used for such sale, it shall be the duty of the pastor to deal with the offender as provided for in chapter vii, paragraph 296, page 127.

MEMOIRS.

REV. ELISHA JAMES EUDAILY.

BY REV. P. L. TERRELL.

Rev. Elisha James Eudaily was born March 20, in the year 1826, in Charlotte county, Virginia, and on May 11, 1894, at his home near Wilkesboro, North Carolina, he ended his life in peace with God, and we trust entered the saints' everlasting rest.

Early in life he became concerned about his spiritual condition, and was for some time an earnest seeker of religion; but was not fully satisfied as to his acceptance with the Lord. At length, however, he professed saving faith in Christ, and ever afterwards his Christian experience was clear and bright. We do not know when he joined the church nor when he was licensed to preach. He served the church for some years as a local preacher. He joined the North Carolina Conference in 1876, at Greensboro, and was sent to Stokes circuit. His next appointment was Wilkes circuit, where he remained two or three years. After an absence of two or three years he was returned to Wilkes circuit, where he labored faithfully until his health gave way, and he was granted a supernumerary relation.

In this relation he did what he could to advance the Redeemer's Kingdom by giving of his means to support the Gospel, and as his feeble health would permit, by preaching its unsearchable riches, encouraging believers, and calling sinners to repentance.

He had been twice married and leaves a wife and one child. A few weeks before his death he preached his last sermon in a beautiful church near his own home, in the erection of which he had been the chief instrument. When his end drew near he seemed to be conscious of the fact; told his wife that he felt sad at the thought of leaving her, but that he was not troubled about himself, for he had faith in Christ and felt that all would be well with him.

A few hours before he died he selected I. Thess. 4:14, as the text for his funeral discourse. Thus passed our faithful brother away from friends and loved ones here below, to friends and loved ones above, where they never say "Good-bye." His earthly mission is ended; he worked faithfully and well in the vineyard of the Lord. He is held in high esteem among those with whom he labored, and is loved much by those who knew him well and knew him best. We think it may be truthfully said of him, "Servant of God, well done."

REV. CANARO DRAYTON SMITH, D. D.

BY REV. J. W. BOWMAN.

Rev. Canaro D. Smith was born in Buncombe county, North Carolina, April 1, 1813, and died January 29, 1894. During his boyhood public schools were unknown in the State, and subscription schools in the community where he lived were rare and of short duration, yet he succeeded in acquiring a knowledge of the ordinary branches

of an English education and a considerable amount of general information, by his twentieth year. Had his means and opportunities corresponded with his capacity for culture, his attainments would have been second to those of but few men in the State. And if he could have in early life pursued his favorite scientific predilections, his name would have been famous in North Carolina, if not in the world, in scientific circles, on account of his eminence in geological and mineralogical studies. In business he was energetic, persevering and successful. He was converted September, 1836, at Caney River Camp-meeting, and joined the Methodist Episcopal Church. In June, 1837, he was licensed to preach, and the following October was admitted on trial in the Holston Conference. He was appointed Junior with Rev. Daniel Payne on the LaFayette circuit, in North Georgia. He diligently sought to remedy the deficiencies of his earlier education by studying those branches most intimately connected with pure English, while pursuing the prescribed curriculum of the Conference. His progress was rapid. His next appointment was Lebanon circuit, Virginia. Exposure to a rigorous climate and daily preaching brought on throat troubles. He was then appointed agent for Holston College, Newmarket, Tennessee. In 1840-1 he traveled the Wytheville circuit. His next appointment was Jonesborough circuit, in Tennessee. During the year nearly eight hundred were added to the church. At the ensuing Conference he was made Financial Agent of Emory and Henry College. His next appointment was Wytheville circuit, and in 1845 Athens station; 1846-7, Rogersville circuit; 1848, Rogersville district; 1849-50, Greenville district. In 1850 he was a member of the General Conference.

On September 21, 1847, he was happily married to Miss Margaret R., daughter of Captain M. D. Bearden, of Knox County, Tenn., who became a helpmate indeed to him. Gentle, mild, and kind; attractive in body, mind and character, she became the light of his home, where her influence, like nature's silent yet mighty forces become a potent factor in life and destiny, and contributed much to the happiness of the home they built, and the interesting family of children reared to honor and usefulness. She still survives to mourn his departure.

The heavy work on the Greenville District completely broke down his health, and he was compelled to take the supernumerary relation. In 1853, he accepted the agency of the American Colonization Society for Tennessee, which position he held but a few months. Having from his youth had a taste for mineralogical and geological research he had for years in view, the establishing the harmony between the Bible properly interpreted and geology rightly understood. Now, having been debarred pastoral work, and as occasion offered exercising his gifts as a local elder, he more fully committed himself to scientific research. This proved an inspiration to health, developed his scientific knowledge, and led to the discovery of corundum and a number of valuable minerals hitherto unknown to North Carolina's mineralogical possessions.

A few years before his death he was readmitted into the Conference, but his health was such that his name continued on the roll of superannuates until the close of his life. A little over a year preceding his death he was seriously disabled by a fall from his horse, while alone crossing the Nantahala Mountains, and where he lay all night until found nine or ten o'clock the next day. He had but

partially recovered, when he was attacked with his last fatal illness, la grippe, last January. In less than a week it ran its fatal course.

In all the relations of life he was a true man; he was a broad minded citizen. In 1851 he was a member of the Constitutional Convention of North Carolina. As an expert mineralogist and a man well informed on current topics, he contributed no little to the development of the State, especially its Western division. As a preacher in the noontide of his power he ranked with the foremost men of his Conference.

Hiwassee College honored itself by conferring on him the honorary degree Doctor of Divinity. He was a well rounded man, largely endowed with social qualities, and blessed with a disposition to communicate, and capacity for expressing himself clearly. He was entertaining in the social circle, pointing his conversation with anecdotes and illustrations drawn from a rich and almost inexhaustible fund. With charity for his imperfections, and admiration for his excellencies, we cherish the hope of meeting him again in the "by and by."

"Where farewell words are never spoken.
And friendly ties are ne'er broken."

REV. WILLIS STOUT HALTOM.

BY REV. W. S. CREAMY, D. D.

Rev. Willis S. Haltom was born in Montgomery County, N. C., October 8, 1808, and fell sweetly asleep in Jesus on March 31, 1894, in the eighty-sixth year of his age. In early life he availed himself of all possible educational advantages, which in that early day were meagre and difficult. When the time came for him to leave the parental roof he was equipped for life's duties. In 1834 he was admitted on trial in the South Carolina Conference of the Methodist Episcopal Church, which at that time embraced a large portion of Piedmont North Carolina. His first appointment was near Sumter, S. C., and for years he filled important appointments in that section of the Palmetto State. In 1862 he removed to North Carolina and in 1863 traveled the Concord Circuit. When in 1870 the Conference line was conformed to the State line, he remained in this territory filling some of the best appointments, and where precious memories fresh and green still linger. In 1878 he was superannuated and remained in that relation, honored and loved until God called him home.

Soon after entering the ministry Bro. Haltom was married to Miss Norwood, daughter of Hon. Thomas Norwood, of Montgomery County, N. C. One daughter, Mrs. Bradshaw, of Charlotte, N. C., survives.

His wife, whom he ardently loved and whose departure he did not cease to mourn, left him on Easter Sunday five years before his death. He was impressed that he would die on, or about Easter, and on that Sunday, a few days before his death, while partially asleep he was heard to say: "Four years and eleven months, wife, since you left me. I can't be with you this Easter, but I will not be far behind; wait for me." He was ripe for heaven and anxious for the change.

He was in the active work forty years, and an honored superannuate for twenty years. Thousands were brought to Christ through his ministry. His great grandfather was a Baptist minister, and his father a great worker in the church. His life itself was a sermon. Rarely ever was there to be found such a noble and happy combination of fun, wit, sense and goodness. While he was not a great preacher, he was above the average; a man full of faith and the Holy Ghost. He was gifted in prayer, and at times rose to sublime heights in his praises and devotions. To the last he was the same genial, happy Christian he had been through all the years. His conversations concerning his departure were as though he were about to make a visit to some dear friend. He gave directions for his funeral, and said to this writer: "I am soon going to take a journey, and I want to say to you now, that I have no choice between lying down on this bed or in my grave. I am afraid that if I commit sin now it is in being too anxious to go. When I am gone, if you can say anything good about me and tell the truth I shall be glad; but if not, sing a hymn and lay me to rest. Sing at the church that sweet old hymn: 'I am going home to die no more.' When you have laid me to rest in my grave, and it has been filled, and you have done all let the last thing be to sing, 'Praise God from whom all blessings flow.'"

Assisted by Rev. J. B. Carpenter, we conducted his funeral in the presence of a large congregation of weeping friends and admirers. We laid him in Elmwood Cemetery, and as we sang the Doxology, as he requested, we felt like praising God that He had given the world such a useful life and peaceful, triumphant death, as that of Father Haltom. May we live the life of the righteous and may our last end be like his.

"O happy, happy soul!
In ecstasies of praise,
Long as eternal ages roll,
Thou seest thy Saviour's face,
Redeemed from earth and pain,
Ah when shall we ascend,
And all in Jesus' presence reign
With our translated friend?"

REV. CASWELL W. KING.

BY REV. J. B. TABOR.

Rev. Caswell W. King, son of Charles and Barbara King, was born in Guilford County, N. C., March 5, 1829, and died at his home near Pleasant Garden, Guilford County, N. C., October 4, 1894. He married Mary S. Fentress, daughter of Frederick and Maria Fentress, of Guilford County, December 4, 1864. Ten children were born to them, of whom three sons and one daughter, with the bereaved wife and mother, survive.

He was converted and united with the Methodist Episcopal Church, South, at Raleigh, 1846, under the ministry of the Rev. F. S. Campbell. In 1854 he was licensed to preach by the Rev. D. B. Nicholson, Presiding Elder, and was admitted into the North Carolina Conference at Pittsboro, in the fall of 1854. He was appointed to the following charges:

In 1855 Mattamuskeet Circuit, junior preacher; 1856, Davidson Circuit; 1857, Stanley Circuit; 1858, Halifax Circuit; 1859, Nashville Circuit; 1860, Rocky Point Circuit; 1861-2-3, Mission in Nash County; 1864, South Guilford Circuit; 1865, Cumberland Circuit; 1866, Troy Circuit; 1867, Uwharrie Circuit; 1868, Kingston Circuit; 1869, North Guilford Circuit; 1870, Pleasant Garden Circuit; 1871, Hatteras Mission; 1872-3, superannuated; 1874, High Rock Mission; 1875-80, superannuated; 1881-4, Dan River Mission; 1885, superannuated; 1886, Antioch Mission; 1887, Deep River Mission; 1888-94, superannuated.

He was ordained deacon at Greensboro, in 1856, by Bishop Early, and was ordained elder in 1858, by Bishop Kavanaugh. Bro. King was a man of energy and industry. He was never idle. After he was superannuated he traveled and sold Bibles and other good books, and preached when an opportunity was afforded. He was with me last year in most of my protracted meetings, rendering valuable help, preaching, singing, praying and exhorting. He was a very congenial companion, so humble, so pure, so good, so sweet spirited. His conversation was ever about heaven, Christ and the church. He talked religion wherever he went. Truly he was a spiritually minded man. He was charitable in his conversation. I never heard him speak a harmful word of any man. He had that charity that thinketh no evil, but always puts the best construction on the motives and conduct of others. Bro. King was very anxious to get work last fall at Charlotte. He seemed very much disappointed when he failed to get an appointment, but after he was taken sick he saw the wisdom of the brethren in not giving him work. After Christmas he spent a few days in Greensboro, when he made arrangements to engage in mission work during the year. He began his work there on the first Sunday of January. He came home the following week; and, while at home he was stricken with sub-acute rheumatism. He had been troubled with Bright's disease for a number of years. His lungs were also affected. With this combination of diseases his sufferings were very great. For ten months he had to endure the most excruciating pain. Not a limb, joint or muscle was free from pain; but amid it all he would sing, and often shout the praises of God. From the first he did not think that he would ever be well again; but he had no anxiety about the matter. He was patient, cheerful and resigned.

It was my privilege to be with him a great deal during his sickness. It was a great pleasure and a means of grace to me. He would ask about my work and the brethren of the Conference. He said: "Tell the brethren of the Conference that I am interested in them, am praying for them, and that all is well with me." After talking of the work, he would turn the conversation to his own experience and speak hopefully of the future. I asked him if there was anything in the way. He said: "There is nothing. All is well. Jesus is with me, I have no fears." He would ask me to read, sing, and pray with him. His favorite hymn was "Lord Jesus I long to be perfectly whole."

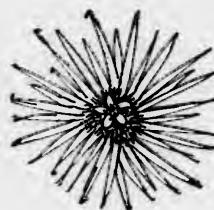

It seemed to give him great pleasure for his friends to visit him. He appreciated any kindness from them.

Some weeks before his death, at his request, I administered the Sacrament of the Lord's Supper to him. During these services he would rejoice and praise God. "His Christian life glowed with increasing lustre and his experience in the things of God grew richer

as he approached the end. While the outward man was perishing the inward man was renewed day by day, until the weary wheels of life stood still."

He was conscious all through his sickness until about three weeks before his death, when he commenced having convulsions. After this he seemed to be in a stupor most of the time, and talked but little. Once, after he had had a hard convulsion, he said: "I thought the Saviour had come for me." He had to wait only a few days more until the Saviour did come and take his spirit home.

After a funeral service conducted by the writer, assisted by the Rev. N. R. Richardson, and the Rev. A. G. Kirkman, his body was laid to rest by the side of his children in Pleasant Garden graveyard.

ADDENDA.

Lilesville for Gilesville, page 21.

J. P. Lanning for Launing, pages 15 and 20.

Belwood for Bellewood, page 22

Henrietta Station for Henrietta Circuit, page 22.

The three last errors occurred in the copy from the Bishop's cabinet.

Salisbury and Charlotte Districts, by error of compositor, changed places on pages 42 and 47.

The alphabetic order of the Conference could not be followed without a total recasting of the tabulated reports of Districts. Wherever possible it has been observed. The next issue of the Journal can be so arranged.

Corrections in names, places, dates, etc., will be gladly received and will appear in the next Journal.

Less than ten members of the Conference sent in their post-office addresses. The editor has been obliged to obtain them from one or two brethren familiar with the charges. If there are errors in the Directory he is not to blame.
